| SLO1: Students demonstrate proficiency in logical reasoning and data analysis skills used in the executive decision-making process as business managers and leaders. | **Measure 1**: MBAD 503 - Financial Management: students will be assessed based on performance on homework assignments or exam questions.  
**Performance Target**: The average grade of all students will be 80% or higher.  
**Measure 2**: MBAD 506 - Operations Management: students will be assessed based on performance on homework assignments or exam questions.  
**Performance Target**: The average grade of all students will be 80% or higher.  
**Measure 3**: ETS Major Field Test - MBA assessment indicator results for finance and accounting.  
**Performance Target**: Mean scores above the 80th percentile in finance and 70th percentile in accounting. |
| SLO2: Students identify and define social, ethical, environmental and economic challenges at local, national and international levels. Students demonstrate proficiency in integrating their knowledge and skills in addressing these issues as business managers and leaders. | **Measure 1**: MBAD 518 - Global Economy: students will be assessed on an exam question.  
**Performance Target**: The average grade of all students will be 80% or higher.  
**Measure 2**: Study abroad trip essay: students will complete an essay on their required study abroad experience. The journal will be submitted to the MBAD 518 - Global Economy professor upon return from the trip and will be assessed using a rubric.  
**Performance Target**: 80% of the students will score "good or better" on the rubric. |
| SLO3: Students demonstrate proficiency in integrating knowledge from multiple disciplines incorporating learning from both classroom and non-classroom settings in the completion of complex and comprehensive tasks undertaken by business managers and leaders. | **Measure 1**: MBAD 590 - Integrated Capstone: Students will be assessed on a case analysis. A rubric will be used to grade the analysis.  
**Performance Target**: 80% of students will score "good or better" on the analysis.  
**Measure 2**: ETS Major Field Test for MBA: Students will take the ETS Major field test for MBA.  
**Performance Target**: Overall mean and median scores for the cohort should be greater than the overall national mean and median scores. |
