**Creative Writing Minor – Student Learning Outcomes (SLOs)**

**The Writing Process**
Students can list and explain three revision exercises/strategies that they can apply to their own drafts in order to improve their work by the time they finish their capstone course.

**Working Vocabulary**
Students demonstrate a working vocabulary for craft analysis relevant to creative genres (poetry and fiction) by the time they finish their capstone course.

**Contemporary Examples of Genres**
Students demonstrate familiarity with contemporary examples of genres studied by the time they finish their capstone course.
