DEMONSTRATION OF FILM ANALYSIS SKILLS

Students will demonstrate the ability to analyze film, including skills in interpreting filmic texts and written communication skills.

VISUAL LITERACY SKILLS

Students develop visual literacy skills not limited to the use of the specialized language of film studies (cinematographic principles, scenic elements, lighting and sound elements, editing techniques) but including the ability to use visual texts as forms of inquiry, reflection, and expression.

RESEARCH METHODS

Students will synthesize material and demonstrate research skills in the process of producing original scholarly essays that analyze film text materials.
