Southern Studies Minor - Student Learning Outcomes (SLOs) (interdisciplinary)

**SLO1**
Students will demonstrate knowledge of the southern United States and its change over time, upon completion of SOST 200.

**SLO2**
Students will apply knowledge and skills of Southern Studies in order to analyze and interpret documents, artifacts, and cultural practices from the southern United States, first upon completion of SOST 200 and later upon completion of SOST 400.

**SLO3**
Students will complete a project in the SOST 400 (Southern Studies Capstone) that integrates knowledge and skills gained from prior coursework in multiple disciplines.
