Comparative Literature Minor – Student Learning Outcomes (SLOs)

Identification of Themes

- Students identify key themes and topics in a number of authentic documents from a variety of different (Western and Eastern) cultures and time periods.

Comparison of Themes within Shared Cultures

- Students interpret, situate, contextualize and compare key themes and topics in a number of authentic documents from a select group of cultures that share common languages, history, regions, or peoples.

Analysis of Themes

- Comparative Literature Minors interpret, situate, contextualize, and compare key themes and topics from a variety of different cultures and time periods.
