Leadership for Sustainability Minor-Student Learning Outcomes (SLOs)

**Effective Leadership (SLO1)**
- Students demonstrate an understanding of the critical factors that produce effective leadership within organizations.

**Communication Skills (SLO2)**
- Students will demonstrate the ability to effectively present, critique, and defend ideas in a cogent, persuasive manner.

**Ethical Responsibility (SLO3)**
- Students integrate knowledge and skills in applications that facilitate student articulation and response to social, ethical, environmental and economic challenges at local, national and international levels. To understand the business and social implications – internal, local, and global – and the subsequent process of persuading others of the viability of plausible problem interpretations and solutions.

**Synthesis (SLO4)**
- Students demonstrate the ability to integrate knowledge from multiple disciplines incorporating learning from both classroom and non-classroom settings, in the completion of complex and comprehensive tasks. To utilize management concepts to solve practical problems in private, public, not-for-profit and social organizations.
